

# More Than Anything

Scott Willis

E            A                    Bsus   A  
Lord, it's easy to for - get  
E            A                    Bsus   A  
All the things I said I'd do for You  
E            A                    Bsus   A  
Now I'm full of more re - gret  
E            A                    Bsus        A  
And in my brokenness, I must con - fess

## CHORUS

          E            F#m                    A                                    Bsus  
(That) I need You, more than any - thing this world can offer me  
E            F#m                    A                                    Bsus  
I need You, God, to bring me back from all my wanderings  
E            F#m                    A                                    Bsus  
I need You, to lead me down the path of truth and righteousness  
E            F#m                    A                                    Bsus  
I need You, to keep me when I fall and make my life a mess  
E            F#m                    A    Bsus  
I need You more than any - thing  
E            F#m                    A    Bsus  
I need You more than any - thing

E            A                    Bsus   A  
Lord, I've wasted so much time  
E            A                    Bsus   A  
Living for myself and not for You  
E            A                    Bsus   A  
That narrow way is hard to climb  
E            A                    Bsus        A  
Let your light shine on this heart of mine
